## HBMM SERVUS FIDELIS

For some, becoming a member of HonorBound Motorcycle Ministry (HBMM) will be the start of a life-changing ministry. This select group may choose to become nationally recognized members of the HBMM SERVUS FIDELIS. The most important requirement for this membership is a definite call to minister to lifestyle bikers. Currently the Christian motorcycle world is full of groups that have some members very serious about ministry to lifestyle bikers and others who just want to fellowship and minister to motorcycle enthusiasts, but not to get involved in this type of outreach ministry. The HBMM SERVUS FIDELIS exists to reach the lifestyle biker culture. There will always be opportunities to reach weekend riders and those not living the biker lifestyle, but there is also a need for motorcycle ministry members that can and will reach into the culture of lifestyle bikers.

While it is not necessary to be a lifestyle biker, HBMM SERVUS FIDELIS members must be ready to step outside the four walls of their church and seek the lost in some very dark places. To do this, it is very important to understand and respect the cultural nuances of the biker world. HBMM SERVUS FIDELIS members should be known and mentored by the nationally endorsed missionary chaplains and should work with them, as well as area appointed leaders, as much as possible.

Members of the HBMM SERVUS FIDELIS will wear the back patch of the HBMM and the SERVUS FIDELIS bar.

This combination will constitute the back patch of HBMM SERVUS FIDELIS. HBMM SERVUS FIDELIS members will not be allowed to hold the back patch of any other Christian riding fellowship or club. All patches remain property of HBMM / HBMM SERVUS FIDELIS and must be returned to area leadership if requested.
